TIME CAPSULE OPENING PROVIDES REFLECTION ON OKLAHOMA CENTRAL HISTORY

TULSA, OK – On September 28th, a gathering 19 years in the making provided a blast from the past for a few dozen onlookers and online viewers as two time capsules were unearthed in celebration of Oklahoma Central Credit Union’s 75th anniversary.

In attendance were employee alumni who were present when the capsules were buried and reunited for the special occasion. The placing of the time capsules in 1997 coincided with the remodel and reopening of the Garnett branch at 41st & Garnett.

The capsules contained numerous photos, a Wallyball (volleyball played in a racquetball court) trophy, money, financial documents, newspaper clippings and a Bucky the Eagle hand puppet, which was the Kids Club mascot at the time. The capsules weren’t watertight and the revealed contents were waterlogged when removed.

The ceremony was broadcast live via the [Oklahoma Central Facebook page](#) so that members and employees could participate in the evening event.
